## "Light and Motion" Concept for Events

### Urban youth culture meets lightart:

#### A Lifestyle Event at the pulse of the time.

Fascinating Skateboard and BMX Action, urban beats from a DJ and breathtaking lightart are the ingredients for this special lifestyle event.

Bikers and Skaters fly high above the halfpipe, electronic beats set the rhythm and bring the vibes to the crowd.

Overall there is a giant projection, showing unique and surreal pictures at every moment .

An enourmos magnet for attention. It will be in the memory of your guests for a long time.
